Suggested Talking Points:

**Garbage can**: some students who live in apartments or duplexes might use a dumpster instead of a can.

**Bed**: stay in bed at bedtime; go to sleep when you’re told, make your bed in the morning.

For all pictures, you can ask:

1. What if I don’t like doing this? Do I still have to?
2. What will happen if I **don’t** do the job I’m supposed to do?
3. What will happen if I do the job I’m supposed to do?
